

WHAT BUSINESS YOGI®

Business Coaching

COULD DO FOR YOU!

by Dr. Sreekumar Vadakkeppat

When you say “YES” to Business Coaching, you
are all set to create growth, rapid business
growth!

I do not mean another coaching or training.

I am talking about
Business Yogi® Business Coaching!

Different people reaps benefits differently.
Let's see what it could do for you!

BUSINESS YOGI® helps you realize the secret of success!

Without discovering the real reason for failure, one cannot realize the secret of success! It is quite complex because the reasons are many and hence there are always failures waiting for you! Thus, the importance for realizing the Business Yogi® way of creating success!

The secret of failure

“Failure never fails to fail!” It is so definite as every one of us are designed to fail! Yes! It is the truth! The truth is that the ‘entropy of failure’ makes one fails even in favourable situations! Many do not know this! The cleverer are those knows the ‘enthalpy of success’! One must know this unknown secret of failure to create the ‘enthalpy of success’! Enthalpy of Success make one succeed even if the situations are not favourable!

BUSINESS YOGI® Business Coaching gives this experiential learning of the ‘secret of failure and success’ so that you are *relieved from the stress of failure!*

BUSINESS YOGI®
helps you know more
about yourself!

What creates the road block to business breakthroughs? It is nothing but your own PTF!

- **Patterns**
- **Thought processes**
- **FUD meter**

(Fear, Uncertainty, Doubts)

The normal approach is through mind but it is difficult as well as a long-route!

Decode, Recode and Redesign!

What is behind PTF? Your actions and behaviours are completely controlled by the kind of patterns (irresistible negative behaviours), your thoughts and the fear, uncertainty and the doubts you have!

PTF is the part of your design. You cannot redesign it without first decoding the current design!

How it would be if you are not influenced by these PTF?

*How it would be if **nothing stops you to be in action** and create more vitality, liberty, tranquillity and ecstasy in life?*

BUSINESS YOGI® **helps**
you decode yourself
to redesign yourself!

You are not your thoughts or patterns! You are not your feelings too! BUSINESS YOGI® enlightens you to decode yourself in a series of coaching conversation and also opportunity to redesign yourself to create your dream a reality!

Save from feeding the FUD!

More than your patterns and the thought process, the FUD meter is critical! Though it feels real, it is unreal! That is true! Fear, uncertainty and doubts are not real. It is an experience you go through in the world of ignorance and survival! It is the barrier to your own performance and growth! So far it helped and now you need something that gives you an access to new world of performance and growth!

There are amazing yet simple spiritual knowledge and practices that would gives you much more clarity, confidence and conviction in business! That is the BUSINESS YOGI® all about!

Let's look at **what else** it could do for you!

BUSINESS YOGI® helps you go beyond your mind!

As the name suggest you do not have deal with your mind any more! The mind-route is the longest route to create business success. As a business leader you need to bypass your mind to create faster success in business!

BYPASS YOUR MIND!

“BYPASS YOUR MIND!” *is the solution! The more you work on your mind the more the time it takes to create breakthroughs! You need to access to you’re your incredible space through your intelligence and cognition!*

“BYPASS YOUR MIND!” *is a unique business leadership program with the spirit of spirituality such that you do not have to deal with your mind! The model, process and practices are simple to grasp and easy to practice!*

“BYPASS YOUR MIND” *is your **gate-pass to incredible success and growth!***

BUSINESS YOGI®

**helps you go beyond
your mind and body!**

For time immemorial people are dealing mind and body to deal with their day-to-day problems and challenges! Thought it is good it takes its own time to get you success the pace at which you want as well as the way you want it

HABIT Y-NOTE

HABIT Y-Note is the spiritual approach developed by Dr. SREE based on his spiritual learning, practices, research and experiments in applying the spirit of spirituality in business leadership and coaching!

“HABIT Y - Note” means the Health And Business Improvement Techniques in the Yogic Way, which is Need Of This Era! Yes, it is time to change the route of transforming self through mind and body as the time do not wait for us!

Business has to grow up to the ‘time-dimension’ to see its **scalability faster and stronger!**

BUSINESS YOGI® helps you reach high- voltage performance!

Business happens inside the space you create and it grows based on the energy you give it according to time!

Knowing more about space, energy and time and its relevance in business leadership is critical to create business success!

TASTE

TASTE - The Access to Space, Time and Energy, is an intensive personal coaching program that enables you to exit from ignorance-filled glamour of performance and enter into the grammar of high-voltage performance and being a performance expert!

*The access to peak performance never lies in practice, it primarily lies in the preparation! Preparation highly influence the practice, practice influence in the performance! This one-on-one personal coaching program is a hand-holding business coaching program that is filled with excitement and enlightenment culminates in **high-voltage performance!***

You get to fulfil
those wants you
know you have
or you had or
you would have
even forgotten!

BUSINESS YOGI®
helps you go beyond
the FUD Meter!

*You will not get stopped
by your **F**ear, **U**ncertainty
or **D**oubts!*

*Do you know that do not
have to deal with the FUD
Meter when you get the
ability to make it
disappear from your
space!*

**BUSINESS YOGI® helps
you outperform the
competition!**

Staying unique and outperforming the competition is possible through accessing your spiritual cognition than the mental thoughts! That is your most powerful consciousness space! It is most powerful than your own intellect!

Seek the help of your own cognition to perform better than you and outperform the competition itself!

BUSINESS YOGI®
**helps you create high
level of maturity!**

*The common reason for
breakdown in leadership
is not having the maturity
in business leadership!*

*Leadership maturity is
quite different from the
common meaning of the
word maturity!*

*Maturity blesses you with
miracles! Know it to
create it!*

BUSINESS YOGI® **gives**
you clarity in all
aspects of business!

*Seeking clarity is different
from getting clarity!*

*Getting clarity is the work
of your 'intellect' where as
seeking clarity is work of
your 'intelligence'! You get
stopped by confusions and
doubts when you work on
to get clarity! It doesn't
happen when you are
seeking clarity!*

*Seek clarity and move faster
than ever!*

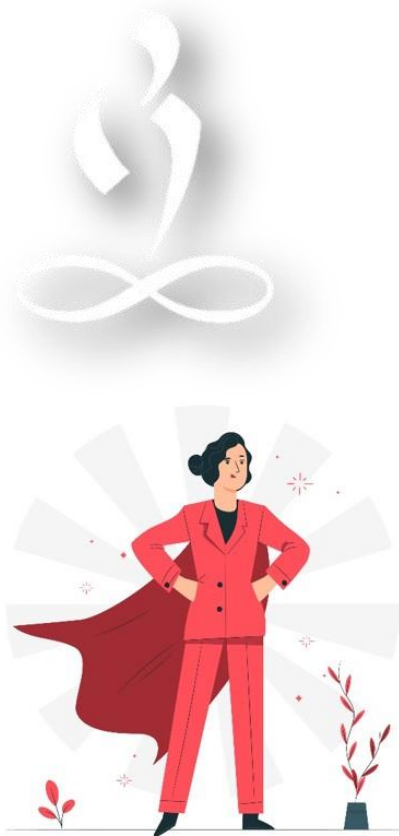

BUSINESS YOGI® **helps**
you discover your
passionate route!

When you go through any route that is not yours, something unknown pulls you back and reduce the pace of growing your business! Discover your passionate route, thus most important in BUSINESS YOGI® business coaching. Each sessions paves the way to your most passionate route to success!

**BUSINESS YOGI® makes
you more mindful,
masterful and powerful!**

*Being a business leader
you must have your style
in dealing and leading! It
is possible when you are
mindful, masterful and
powerful!*

*Business Yogi Business
Coaching makes this
unique tri-quality state of
leadership available in
your space!*

BUSINESS YOGI®
**helps you achieve
business results!**

Achieving business goals as per the time you set is quite challenging! One needs to be highly empowered and enlightened to meet business goals as per the time sets for its completion. Once you get the grip of aligning time and result, you are up to create miracles in your business!

BUSINESS YOGI®
**helps you discover
your own solutions!**

Having a challenge or problem is common in business! What matters is the kind of solution! If you get solution through guidance, consultation and advice, it got its own limitations! It would be more powerful for you when you create your solutions! Get this unique space and enjoy solving business problems!

BUSINESS YOGI® **helps**
you convert breakdowns
to breakthroughs!

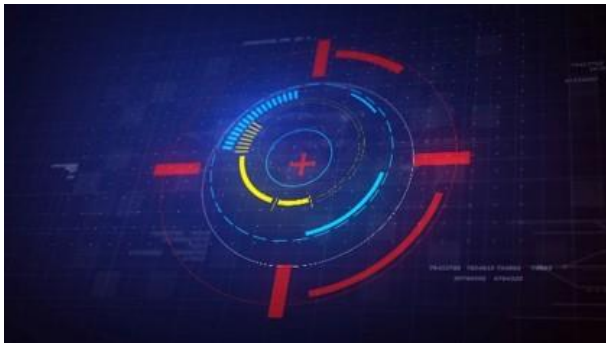

There are many struggle to deal with breakdowns in business. When breakdown are not dealt with, it create a break in business and eventually business itself breaks! How about converting a breakdown to a breakthrough?

You are no more worried about breakdowns in business!

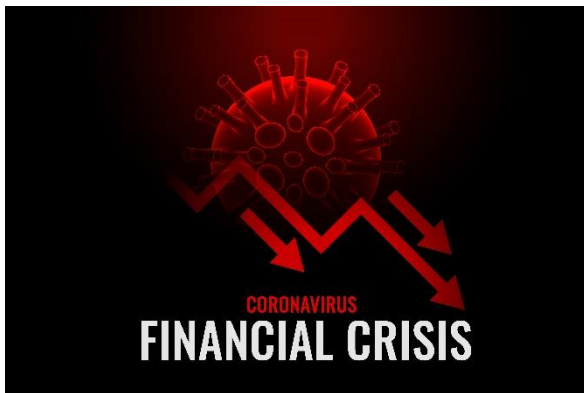

BUSINESS YOGI® **helps
you refocus, redefine
and redesign!**

Not getting result is an outcome of not focusing! Business Yogi makes you visible where you need to focus and how to refocus to get what you want in business! It will also helps you redefine and redesign various aspects of management such that it would be easy for you to refocus without much effort!

BUSINESS YOGI®
**empowers you to go
beyond circumstances!**

It is quite common and human that the circumstances are not in your favour and that impacts the business! What it takes for you to go beyond such circumstances and still get the results you want!

It is possible to create it in the space of Business Yogi by knowing the biology of business!

Let you be bigger than your circumstances!

You get to fulfil
those wants
that you did
not know you
had!

BUSINESS YOGI® **gives**
you the space for both
passion and business!

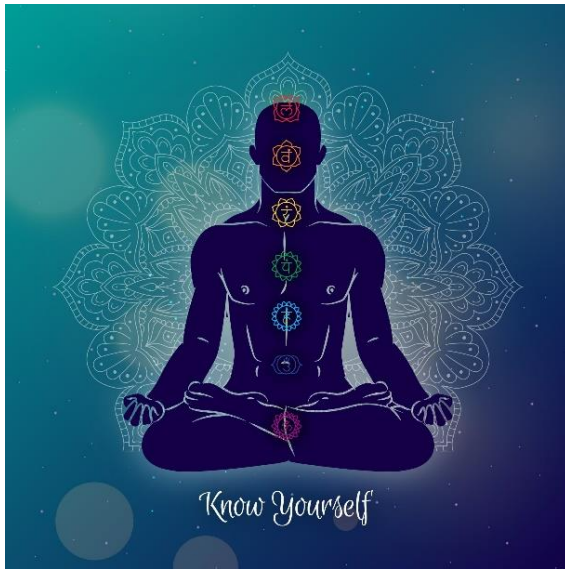

One the most misunderstood aspect of human life is passion! Whatever you know as your passion is not your true passion!

*In fact, when you know your true passion you can lead your business with more vigour and rigour! It creates the so-called **Work-Life-Balance in life and much more!** When you don't follow your passion on a daily basis you are missing something big!*

*Find your true passion and experience being blessed in life and **being most successful in business!***

BUSINESS YOGI® is the
space where results
happen!

Are you busy in doing the work? Are tired of doing lot of work? Are you stressed out by the amount of work you have? Do you experience that time is not enough to do all that which is in your table?

All the above means that you are busy in causing results!

Create the Business Yogi® space where results happen where you feel both peaceful and powerful!

BUSINESS YOGI®
